How it runs

#	Step	What happens
01	20-minute call	You describe the business. We tell you which entity, what it costs, and what could go wrong.
02	Written scope	Fixed fee, line items, government fees at cost, payment schedule. No ranges.
03	File check	Twelve points checked before anything is filed. If a point fails, we fix it or tell you not to proceed.
04	Registration	Name, scope, articles, filing, chops, tax registration, beneficial owner filing.
05	Banking	Branch selected for your profile, file prepared, account opened, online banking token and company SIM handed over.
06	First year	Monthly filing, one page in English each month, annual report by 30 June.
